

Reporting Work in AccelTrax V5

To log into AccelTrax, your User Name is your employee number and your password is the last four digits of your SSN.

The image shows the login interface for AccelTrax V5. At the top center is the Accel logo, which consists of a blue vertical bar to the left of the word "Accel" in a red, italicized serif font, with "Accel Consulting, LLC" in a smaller, blue, sans-serif font below it. Below the logo, the text "Welcome Back!" is centered. Underneath that is a message: "Welcome to AccelTrax! For technical issues, please call Accel Consulting at 317-536-2756." The login form consists of three main elements: a white input field with a person icon and the label "Username", a white input field with a key icon and the label "Password", and a blue button with the text "Login" in white. At the bottom center, there is a copyright notice: "© 2023 Accel Consulting, LLC".

Upon logging into AccelTrax, you will be taken directly to the report work screen.

- a. **In My List** is a list of consumers that you work with on a regular basis. To add consumers to My List, click on the **Search** option. Enter the first three letters of the consumer's last name, or the Consumer Number to populate the consumers who fit that criterion. Once you have found your client, click on

their name and then, where they are listed at the bottom of the screen, click on the star to the right of their name. They will then appear under In My List. *Note: you are only able to add clients to My List from the Search tab.*

- b. **By Site** – Use the drop-downs to select the Site Type and Site Name. This will populate a list of consumers within the chosen site.
 - c. **Search** – Enter the consumer’s last name or Consumer Number, then click **Search**. The consumers that match your information will be listed below the Search box.
 - d. **Today** – This displays the consumers that you have worked with on the current date.
 - e. **Past Week** – This displays a list of the consumers that you have worked with in the past week.
4. The consumers that you have chosen will appear in the Already Selected list at the bottom of the window.
 5. Once you have selected your consumer(s), click **Next** at the top of the window.

- a. **Note:** is a field where you report information that happened for all consumers selected for this work record. The Default Note is not client-specific.
 - b. **Department:** The department that you are reporting work for. If you have questions about which department to select, please contact your supervisor.
 - c. **Non Medical Transportation** indicates a trip that you provided for anything not medical related. One Trip (One Way) is for trips where you leave one location and arrive at another. More Than One Trip is for round trips.
8. Once you have your default information entered, click **Next** at the top of the window. This will take you back to the Report Work screen where you will see a work record for each of the consumers selected.

You now have a work record started for EVV time.

Steps 9 – 14 can be filled out during your shift or after.

9. Click on the pencil icon  to the left of the work segment, or double click on the record, to edit, add, or change information in the work record.
10. If any red **X**'s or red boxes appear, this is required information that you must enter before submitting your work.

13. Click the **Goals** button and complete information about the goals you worked on with the client. You only need to report goals that you worked on with the client within your shift.

The screenshot shows a web interface titled "Edit visit for Solo, Han". It features two main sections for goal reporting: "Care Goals (0 out of 1)" and "Household Chores (0 out of 2)". Each section has a "Collapse Goals" button. The "Care Goals" section contains one goal: "1) Goal:test for testing", which is checked. It includes a "Prompt Type" dropdown set to "Verbal" and an "Outcome" dropdown set to "Successful". A "Copy goal" button is located below the goal. The "Household Chores" section contains one goal: "1) Goal:Make bed.", which is checked. It includes a "Frequency" dropdown set to "Daily" and an "Expected Count" dropdown set to "1". A second, unchecked goal entry is visible below the first one in the Household Chores section.

Goal Reporting Features

Filtering Goals

To search the list of goals for key word, type the key word into the **Goal Filter** box at the top left of the goal list

Duplicating Goals

If you need to report on a goal more than once within the reported shift, click on **Copy Goal** beneath the original goal. This will make duplicate the goal so that you are able to enter prompts, notes, etc. more than one time.

Reporting Goals

- To report on a goal, click on the check box to the left of it.
- You will see to the right of the goal a Frequency and Expected Count. Frequency is how often the

goal should be completed. The expected Count is the number of times within the frequency that the goal should be completed.

- c. Use the drop downs to select the Prompt, Count, Outcome, and/or Note. *This may differ from one goal to the next.*
 - **Prompt Types** are the stimuli of how the consumer was instructed to complete the task (e.g. Independent, Gesture, Verbal, Model, Physical).
 - **Outcomes** are the results of the prompt / how the task was completed or not (e.g. Attempted, Refused, Successful, No Opportunity).
 - **Count** indicates the number of times the consumer needed to be prompted to complete the task.
- d. Type in any Notes on the goal, if needed.
- e. Any goal information with a red X next to it is required prior to being able to save or submit your work.
- f. Click on **Done**.

14. After you have entered all service notes and goals and verified other segment information, click **Done** at the bottom of the screen.

15. **At the end of your shift click on End Visit to capture the time stamp.** If the time stamps do not capture what you actually worked you are able to change the time by clicking on the hour or minutes displayed. Please make a comment in your Notes as to why the time was changed.

Actions	Consumer	Start	End
	Solo, Han	08:45 AM	End Visit

16. Once you have created a work record, you are able to **Copy** it rather than going through the process of selecting a new consumer, task, etc. To do this, click on the paper icon  to the left of the work line in the Actions column. This will create a new work record with the same consumer and task. The ending time of the previous work record will be the start time of the new one.

Total Hours: 2.25 (2 hours and 15.00 minutes)							
Actions	Consumer	Start	End	Task Code	Goals	Note	
	Solo, Han	08:00 AM	10:15 AM	5002	1 Selected	test note	
	Solo, Han	10:15 AM		5002	0 Selected	Add Note	

17. Once you have all of your work records for the day entered, click Submit Work to Supervisor in the bottom left corner of the screen.

18. You will get a notification that your work has been submitted successfully and the work record will be green.

Editing Unapproved Saved Time

If you need to edit work once it has been saved and before it has been approved, click on **Edit Saved Not Approved Work** in the bottom left of the screen.

Make sure to Submit your work again so that your supervisor has access to it for approval.

You can tell if a work record has been approved by hovering over the  icon to the left of the line or if the line is green.
